

**ON-LINE/OFF-LINE COMPRESSOR CLEANING SYSTEMS**

**HT 100 - 750  
CAPACITY GAS TURBINE ENGINES  
for engines in the range of 05 –250MW output**

**PRODUCT DESCRIPTION**

The HT RANGE is designed for use with industrial Gas Turbines and is available in static and mobile forms.

The HT RANGE is fully self contained and simple to operate. The small footprint allows for installation into limited space.

Using proven technology the HT RANGE offers the operator simple and effective control of gas turbine compressor cleaning. The flexibility of the system allows the operator to change chemical ratios and wash & rinse cycle volumes etc.

The HT RANGE can serve multiple gas turbine wash nozzle systems for both online and offline washing.

Every HT RANGE wash delivery system is fully factory tested and is designed for quick and easy installation.

The HT RANGE is available with a number of standard options and can be customised to suit your specific requirements.

The HT RANGE is available for use in hazardous areas such as offshore and onshore oil and gas facilities.

Rochem is an approved ISO9001:2000 supplier

**STANDARD FEATURES**

- Stainless steel tank
- Stainless Steel piping
- Control Panel
- Single power connection
- Accurate mixing of chemical
- Level Indication
- Temperature Indicator
- Pressure Indicator
- Painted bund with drain
- Self purging using compressed air
- Adjustable wash parameters
- Full Operating Manual and Data book
- Certificate of Conformity
- Proven technology & design
- Simple to install and maintain
- Minimum operator input time
- No chemical handling
- Suited to both on-line and off-line compressor cleaning
- Mounted on safety bund

**OPTIONAL FEATURES**

- Ex Version for Hazardous Areas
- 9kW Tank Heater
- On skid air compressor
- Chemical Drum Pump
- Remote control
- Mobile operation
- Cold Weather operation
- Thermal Insulation

**TECHNICAL DATA**

**Finish**

Hot dip galvanise  
(Other finishes available upon request)

**Power Supply**

380-415, 50/60Hz, 3ph  
(Other voltages available upon request)
